

AMA Sanction # 945

Updates:

BIG BIRD/GIANT SCALE

2018 date: July 7, 2018

(Click above for Flier)

If you're into Big Birds & Giant Scale Models, this is the event to be at!
 "Big Flies Better"
 Come on down and have some fun with us. We will even have a couple "Candy Drop" planes: 50% Cub (John Shoemaker) and a Giant Telemaster (Vic Kerster), both were at our 2016 Big Bird Event.

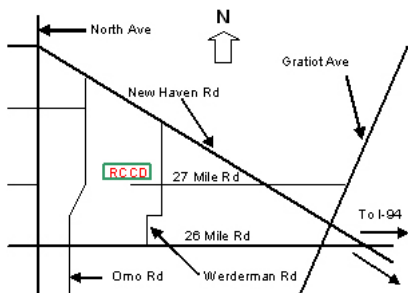

RCCD's Annual Big Bird/Giant Scale Fly-In keeps growing in leaps and bounds every year, featuring:

- a large number of pilots
- an awesome flying site
- great spectator viewing
- great food
- door prizes & raffles
- candy drops

When: • Saturday - July 7, 2018

Time: • 9:45 am - Pilots' meeting
 • 10:00 am - Flying starts

Where: • RCCD Flying Field, located in Wetzel State Park (map also on flyer)

[Click here for Google Maps Link:](#)

Contest Director Lou Tisch and Co-CDs Don Veres & Mike Schafka, and RCCD, invite you to a day of fun, filled with Big Bird flying, friends, and plenty of prizes to take home!

Pilots Prizes: All registered pilots will receive one ticket, good for a chance at one prize each. You do not have to be present to win, but must make arrangements to pickup your prize.

All registered pilots are eligible to win, even if they are unable to fly for whatever reason. At least bring your Giant Scale Plane, even it is unfinished. Everyone enjoys extra eye-candy and you might get some answers to questions you may have about the build you are working on.

What: • A fly-in for Big Bird/Giant Scale R/C aircraft:

We have already received commitments of a lot of products for 2018 Door Prizes and Raffles (updating list):

Battery Charging:

- Quarter Scale or Larger
- Minimums: 80" ws Monoplanes, 60" Biplanes
- 110 V is available for battery charging, or you may bring your own 12V source. For the safety of all, charging is not permitted under the shelter or in vehicle parking area.

Requirements :

- Proof of AMA membership required.
- All legal aircraft radio frequencies permitted.
- Full-time 2.4 GHz transmitters will not be impounded. All non 2.4GHz transmitters and non 2.4GHz modules will be impounded to minimize radio interference risk. Pilots do not have to remove non 2.4 GHz modules from transmitters while impounded.
- Landing fee - \$10
