

The 2019 W.O.W. Has Officially Been CANCELLED

Due to the persistent and continuing Rainfalls and Thunder Storms that left the RCCD Flying Field and its parking areas saturated and under water; and considering all the weather related factors, the decision was made to cancel the W.O.W. Event scheduled for June 1 and 2, 2019. The event will be rescheduled to a future date, when the current wet weather pattern improves. This will allow the soil conditions to dry, and our grounds crew to rework the field and parking area into a presentable condition. It would be unfair to all the participants, spectators, family and friends to join us in an event that is less than acceptable to all.

It is always up to Mother Nature to control the weather, and we tried our best to keep up with her. Remember “Water always wins”.

Sorry, if this cancellation caused anyone a problem or issue.

Thank You for your patience. Please check out the club website and/or check your email for the confirmation of the new W.O.W. Event date.
